About the Trainer

Ahmed Moussa is a bilingual, Dubai-based content creator and Customer Happiness Executive at Prime Health Group. Over 4+ years across three multinational customer service companies — Sutherland, Teleperformance, and Concentrix — plus close to two years inside UAE healthcare, he has sat on both sides of the interview table: as the candidate trying to clear the round, and as the professional who understands exactly what that round is testing for.

He works as an interview coach and educational content creator, helping Arabic-speaking fresh graduates and job seekers prepare for real BPO and customer service calls. This guide is written in simple B2-level English, so it's easy to read, practise, and use on the floor from day one.
